10. Round Table:

- a. Don M. asked about the plan for the 15U team this season. Answer: Decisions on running 2 teams will be made during tryouts based on the number of kids at tryouts and if we have coaches. Parents will be told at tryouts.
- Roch C asked about 14UG uniforms and said that one set was lost. Answer: clarification that only 16U teams and higher get 2 sets of jerseys because of libero.
- c. Lynn M asked about the number of players/team. If 12 show up will they all make it. Answer: from Kevin. Club has policy for top teams. More competitive teams will have less players. 2nd teams and younger ages will have larger roster to develop more players. Denny asked if they will simply divide the players. Joanna mentioned they will not just divide and it will be based on skills. Jason asked about the logic in having 2 teams at lower age levels. Talked about 15U and 16U age groups (some in trillium and some in championship) Heather G. questioned why we take 2nd team if they are in trillium and the first is in championship. Answer: most age groups play in trillium and compete in that category. It does not mean they shouldn't have the opportunity to compete. Bryan W mentioned that if you look at competitive clubs down south that compete, you need many teams. The goal of this club, if competitive, would be to have multiple teams (especially at the younger age brackets).
- d. Tryouts: Joanne B asked how many tryouts there will be. Answer: based on how many kids show up and coachs needs.
- e. Roch C asked about additional practices: last year they had practices during Christmas holidays. Any extra practice should be optional. Coachs can request extra gym time if they want.
- f. Policies: Nat L asked where they can be accessed. Will be working on documentation and posting to website once approved.
- g. Merit: explained how Chill gets a commission of sales that goes back to the club
- h. Joanne B asked about uniform and having sizes for women (not all unisex)

- i. Roxanne F talked about the issues with hotel for Provincials. Requested to not return there. Christina explained the incident that took place. Managers need to be aware and book appropriately.
- j. Eric B explained "stay n play" policy that is enforced with Provincials/Nationals this year. Christina attended Region 2 AGM meeting and it was suggested that Northern Teams should get first pick. Roch asked if managers will be taking this on- answer: yes. Bryan W mentioned some provincials are during the week.
- k. Joanne B asked if we need hotel if playing in North Bay. Eric B suggested that they should "snowstorms...etc".
